Tuesday Morning Bible Study: Join us at 10:00 am as we begin a new course studying the gospel of Luke. A great study for beginners and scholars alike, we will look at the ways this Gospel speaks to us and our world's situations today and how God's Word applies so practically to our lives. We are all disciples on a journey with Jesus! If you have never studied the Bible or are an expert in Holy Scriptures you will feel at home in this time of coffee and conversation.

Book of Acts: How Early Church Shook the Foundation of the World. This Bible study will show how every aspect of our lives as Christians are influenced by God; and that we are very similar to the men and women of the 1st Century A.D. By taking a look at how the early church formed and conducted itself, we can get a view of the ways that servants of God may still change the foundations of the world. We meet Tuesdays at 7 pm in the Ragsdale Room. See Dan Ayers with any questions.
